PFESIDENT ROBAK: Thank you, Senator Chambers. Is there any further discussion on LR 80? Seeing none, Senator Maurstad, do you wish to close? Closing is waived. The question before the body is the adoption of legislative resolution 80. All those in favor vote aye; all those opposed vote nay. Please record.

CLERK: 28 ayes, 0 nays, Madam President, on the adoption of LR 80.

PRESIDENT ROBAK: LR 80 passes. LR 87.

CLERK: Madam President, LR 87 offered by Senators Kristensen, Pedersen and all of the members. (Read LR 87.)

PRESIDENT ROBAK: The Chair recognizes, Senator Kristensen.

SENATOR KRISTENSEN: Thank you, Madam President, members of the Legislature, Bill Tallichet, one of our Sergeant at Arms, died this week after a short illness. Yesterday and today there has sort of been a sense of emptiness around the Chamber and I suppose that emptiness has been Bill Tallichet. There has been something missing. Bill's classic stoic demeanor, it was always present. I had the wonderful pleasure of getting to know him very well through the Transportation Committee and Judiciary. He was there, took a keen interest in those committees and not was just present, but observed and watched and took a great interest and often I'd get the chance to visit with him before and after committee about what was going on. Bill didn't seek exposure or headlines, but he lived to observe those headlines and learned from those and history, in particular, was his forte. And his passion was current events. Bill was, the Clerk has read to you in a well-worded resolution that our Clerk did, current events was his passion. He taught at Irving Junior High for 30 years and I know there's many former students around the Capitol today and throughout the State of Nebraska. His desire to make history not just something that was drying, boring, but try to bring it to life was well done. I know, talking with some of his former students that he would give them names and make them go look through the newspaper for current events and seek out and find those names and why they were important. And that was really important to him because he put a lifetime of public education but after that he had a real keen interest in the Legislature, as well. He'd come down and view the
